# Invitation

## from the President of Naresuan University

Dear Esteemed Colleagues and Participants

On behalf of Naresuan University, I am delighted to extend a warm welcome to all of you to International Conference on Rice Bran Oil 2026 (ICRBO 2026). It is an honor to host this important gathering, bringing together brilliant minds, innovative thinkers, and leaders in the field. As a university committed to fostering an entrepreneurial spirit, we are excited to be part of a platform that supports creative ideas, collaborative problem-solving, and forward-thinking solutions.

Our vision, “University for Entrepreneurial Society,” drives everything we do. We strive to create an environment where innovation thrives, ideas are nurtured, and individuals are empowered to lead with purpose. This conference embodies that vision by offering an opportunity to engage in dynamic discussions, share groundbreaking research, and build meaningful partnerships. Through your participation, we hope to inspire a culture of entrepreneurship that drives positive change and prepares the next generation of leaders for success in an ever-evolving world.

This year, we are particularly excited to highlight a product of immense importance to our country’s agricultural industry: Rice Bran Oil. Rice, one of the main crops of our nation, provides a valuable and sustainable resource through its by-product, Rice Bran Oil. Known for its health benefits and versatility in cooking, Rice Bran Oil is not only a significant contributor to our agricultural economy but also an area of increasing interest and innovation in the food and health industries. We look forward to exploring its potential through the conference, as it embodies the spirit of entrepreneurship and sustainable development we aim to foster.

We believe that collaboration is at the heart of entrepreneurship, and your involvement will not only contribute to the success of this event but will also foster the exchange of knowledge that will shape the future of our industries, communities, and beyond.

Thank you for joining us. We look forward to an enriching experience and to the valuable ideas and perspectives you will share with us. Together, let’s continue to advance our mission of shaping an entrepreneurial society through education, innovation, and collaboration.

---

Warm regards,

**Associate Professor Dr. Sarintip Tantanee**  
Acting President of Naresuan University

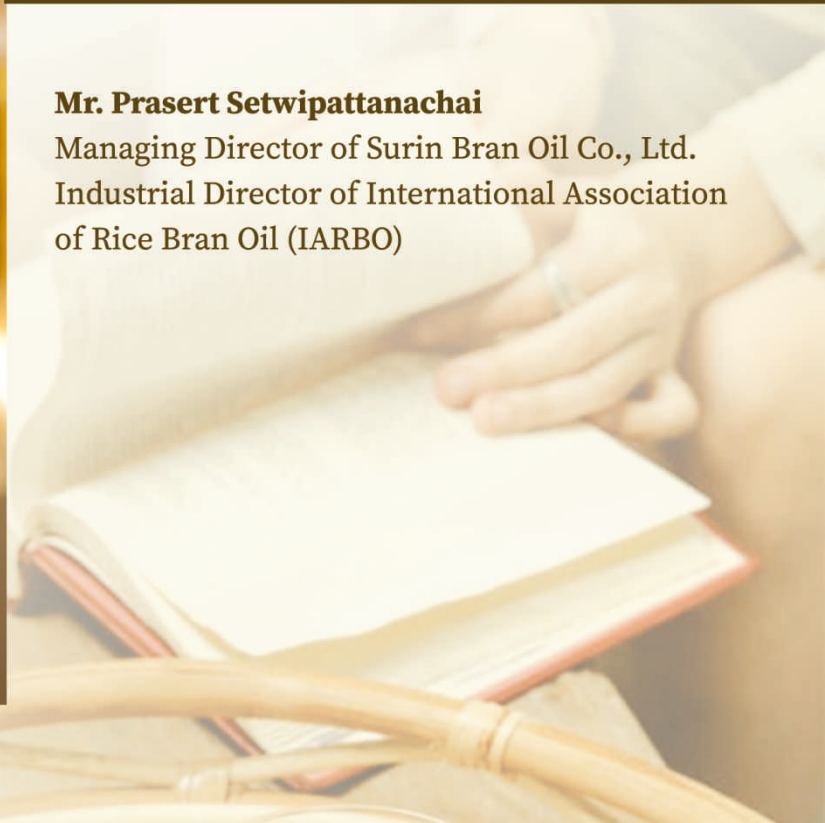

## Conference Chairman

**Assoc. Prof. Dr. Riantong Singanusong**  
Lecturer, Faculty of Agriculture, Natural  
Resources and Environment, Naresuan University  
President of International Association of Rice  
Bran Oil (IARBO)

## Conference Secretary

**Mr. Prasert Setwipattanachai**  
Managing Director of Surin Bran Oil Co., Ltd.  
Industrial Director of International Association  
of Rice Bran Oil (IARBO)

**International Conference on Rice Bran Oil 2026:** Current Issues on Rice Bran Oil Production, Consumption, and Perspectives will effectively capture the evolving nature of the industry and opens the door to a wide range of discussions, including:

1. Current Challenges in Production – Addressing issues such as sustainability, technological advancements, contamination risks, and the economic factors affecting the supply chain.
2. Consumer Trends and Concerns – Exploring the growing demand for healthier oils, consumer preferences, and the importance of product safety and quality.
3. Future Perspectives – Looking at innovations on the horizon, such as new processing technologies, applications in food and non-food sectors, and emerging markets for rice bran oil.

This conference will cover current problems while focusing on future possibilities. It will allow participants to engage in critical discussions on where the industry is headed while addressing the most pressing issues.

We would like to express our sincere gratitude to all the co-organizers and sponsors for their generous contributions to this conference.

We look forward to seeing you at the International Conference on Rice Bran Oil in 2026, Bangkok, Thailand.
